

OREMECH
ENERGY, NATURALLY.

ABOUT OREMECH

OREMECH

Oremech is a Joint effort of two well established companies in the engineering industrial sector for around a decade.

Roots Of OREMECH

Omnipotent Power Technologies Pvt Ltd and Mechsol Technologies Pvt Ltd are the two companies which are the background of Oremech.

We As OREMECH

Oremech is a name which stands for customer satisfaction, constant growth and high quality of service. We listen to our clients closely, understand requirements clearly, and incorporate suggestions, open to new ideas and act pragmatically to deliver good and accurate solutions. We at Oremech strive to provide customized solutions to best meet customer needs.

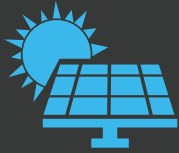

Group Companies

&

OREMECH is powering a quiet, clean and safe energy revolution by offering robust, easy to install and low maintenance photovoltaic (PV) solar panels. Solar energy is a sensible choice for all those who care about nature and environment. It is renewable, green and allows you to reduce your carbon footprint as it doesn't release any harmful pollutants to the atmosphere. It is affordable and cost effective. Come, lets join the solar revolution today.
